

OUR HOUSE / YOUR HOUSE

Loyola Jesuit Center is set in beautiful rolling terrain of northern New Jersey. 90 individual rooms for retreatants, two chapels, a library and spacious meeting rooms are enhanced by 33+ acres of lawn, gardens and woodland.

Loyola offers a time to relax, away from business problems and family worries; a time to reflect and get a fresh slant on your life; a time to pray, to reawaken the sense of the reality of God and to grow in the precious gift of faith.

Over and above the various scheduled retreats, Loyola offers days or evenings of prayer, for school faculties, for parish societies and parish councils. These can be arranged on mutually agreeable dates and the program adapted to the needs of the particular group. Outside groups, hosting their own programs, are welcome as well.
